## Summer 'Safaris' Planned For Kiddies by Library

Summer "safaris" to here, there and everywhere will be booked at the Torrance branch of the Los Angeles County Public Library, 1345 Post Ave., the day school lets out for all boys and girls who want to go on a vacation adventure.

In case you don't know what "safari" means, Miss Lila Held, the Torrance Branch Children's librarian, says it's an adventure-filled trip.

The full name of the library's summer treat is "Doctor Dolittle's Summer Safari."

What boy or girl hasn't heard of the famous Doctor John Dolittle and his fabulous animal friends, "Chee-Chee," the monkey; "Polynesia," the parrot; "Gub-Gub," the pig; "Too-too," the owl; "Dab-Dab," the duck; and that very strange animal, "Pushmi-Pullyus"?

THEY ARE all in the Doctor Dolittle books and if you haven't already met them at the Doctor's home in Puddleby-the-sea, now is the time to do so.

Go to the County Library and sign for membership in the Reading club. Everybody is welcome and it promises lots of fun. There will be a special party for all members in the fall. To become a member you have to read one book, the librarian said, and tell her about it. Then you are given the Safari Pass-Port which describes nine trips Doctor Dolittle is going on this summer and you can accompany him on any one you choose.

THE WAY to go on a trip is to read a book. If you want a trip into space or the world of science, you read a book about space or science. "Too-Too," the wise old owl will conduct that journey. "Chee-Chee," the monkey will take and adventure, and "Pushmi-Pullyus" has charge of the safari that goes to lands of enchantment.

Each "safari" is just like the Doctor's garden in Puddleby. You wander for days and days and always come upon something new.

So boys and girls hurry to your library, talk over this unusual vacation activity with the librarian and get in on the fun at the start.
